Last Updated: May 27, 2026

1. Agreement to Terms

These Terms of Service (“Terms”) constitute a legally binding agreement between you (“you,” “user”) and Alphatrends Publishing LLC (“Alphatrends,” “we,” “us,” or “our”), governing your access to and use of Alphatrends.net and all related services, memberships, products, content, communities, courses, webinars, videos, communications, and materials (collectively, the “Services”).

By accessing or using the Services, you agree to be bound by these Terms. If you do not agree to these Terms, you must discontinue use immediately.

We reserve the right to modify these Terms at any time. Updated versions will be posted with a revised “Last Updated” date. Continued use of the Services after changes are posted constitutes acceptance of the revised Terms.

2. Educational Purpose and Risk Disclosure

All content provided through the Services is for educational and informational purposes only and should not be construed as financial, investment, legal, tax, or professional advice, or as a recommendation to buy or sell any securities.

Alphatrends does not provide brokerage services, investment advisory services, portfolio management, trade execution, or managed account services. Nothing contained within the Services creates any advisory, fiduciary, professional, or client relationship.

Trading and investing involve substantial risk, including the possible loss of capital. Past performance is not indicative of future results, and no representation is being made that any account will or is likely to achieve profits or losses similar to those discussed.

Any examples, commentary, opinions, charts, trade ideas, testimonials, or success stories:

- are illustrative only
- reflect individual experiences
- are not typical
- do not guarantee future performance or success

You are solely responsible for your own financial, trading, and investment decisions and for evaluating the risks associated with such decisions.

3. User Eligibility

You must be at least 13 years old to use the Services.

If you are under 18 years old, you represent that you have obtained permission from a parent or legal guardian.

4. Accounts and Access

You agree to:

- provide accurate and current information
- maintain the confidentiality of your login credentials
- be responsible for all activity occurring under your account

Your access to the Services is personal, revocable, non-transferable, and for personal, non-commercial use only.

Violation of these access and sharing restrictions may result in immediate suspension or termination of your account without notice or refund.

Account sharing, password sharing, redistribution of access, resale of memberships, rebroadcasting, reposting, livestreaming, commercial use, or group sharing of content is strictly prohibited.

We reserve the right to investigate suspected unauthorized sharing, redistribution, piracy, or misuse of our content and may suspend or terminate access without notice.

5. Subscriptions and Billing

By purchasing a subscription or membership, you agree that:

- subscriptions renew automatically unless canceled prior to renewal
- you authorize recurring charges to your selected payment method
- cancellation takes effect at the end of the current billing cycle
- any prorated refunds are issued solely at the Company's discretion and are evaluated on a case-by-case basis
- access may be suspended or terminated for failed or declined payments

We reserve the right to modify pricing, plans, features, or membership structures at any time.

6. Pause and Pricing Policies

- may be forfeited upon cancellation
- may not be reinstated upon reactivation
- may be modified or discontinued at our discretion

7. Payments

All payments are processed through third-party payment providers.

You agree to provide current, complete, and accurate billing information.

We reserve the right to:

- refuse or cancel orders
- correct pricing or billing errors
- limit or restrict purchases
- reject transactions suspected of fraud, abuse, or unauthorized activity

8. Refund Policy

All sales are final.

We do not offer refunds for products, services, subscriptions, memberships, courses, digital content, webinars, or downloadable materials.

By completing a purchase, you acknowledge and agree to this Refund Policy.

In limited circumstances, we may grant a refund at our sole discretion. Any such refund:

- is an exception
- does not establish a precedent
- may exclude processing fees, transaction fees, administrative costs, merchant fees, or other non-recoverable costs

By purchasing, you acknowledge that digital content, memberships, and services may be delivered immediately upon purchase, and that access to such materials constitutes partial or full performance of the transaction.

Dissatisfaction, lack of profitability, market losses, or disagreement with educational content does not qualify for a refund.

If a chargeback, payment dispute, or reversal is initiated, we reserve the right to:

- contest the dispute
- provide evidence of these Terms and transaction history
- terminate or suspend access
- prohibit future purchases, memberships, or access to Alphatrends services
- recover refunded amounts, fees, and associated costs
- pursue any remedies available under applicable law
